

**People count on me.  
I count on Tomotherapy.**

Life is busy. Business, family, friends. We depend on each other to be there, especially in tough times. That's why TomoTherapy means so much to us. It's radiation therapy so precise that it targets only the cancerous tumor, with minimal affects to healthy tissue. So you spend less time recovering and more time living. And isn't that the point?

3300 NW 56TH, SUITE LL-100 OKC, OK 73112 405.488.0700 | 2117 RIVERWALK DRIVE MOORE, OK 73160 405.703.1400
